## AVON BREAST CANCER CRUSADE

### Access to Direct Clinical Care / Funding the Safety Net

<table>
<thead>
<tr>
<th>Organization</th>
<th>Project Description</th>
<th>Grant Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Beth Health Care Foundation, on behalf of Newark Beth Israel Medical Center, Newark, NJ</td>
<td>To support a full-time, bilingual Nurse Practitioner and a part-time, bi-lingual Administrative Assistant, both dedicated exclusively to breast health care and breast cancer patients.</td>
<td>$425,410</td>
</tr>
<tr>
<td>Boston Medical Center, Boston, MA</td>
<td>To continue its multidisciplinary program of delivering clinical care to poor, uninsured women at all six community clinics in the BMC network.</td>
<td>$500,000</td>
</tr>
<tr>
<td>Cambridge Health Alliance, Cambridge, MA</td>
<td>To support an increase in their screening program from 11,000 to 18,000 women in four target cities densely populated with minority populations (Latino, Asian, Haitian and African American).</td>
<td>$499,889</td>
</tr>
<tr>
<td>Charlotte Maxwell Complementary Clinic, Oakland, CA</td>
<td>For general operating support to expand this clinic, which provides free complementary alternative medicine treatments to low-income women, to the San Francisco community.</td>
<td>$300,000</td>
</tr>
<tr>
<td>Chinese American Service League, Chicago, IL</td>
<td>To provide resources for the addition of part-time staff and the purchase of new clinical equipment.</td>
<td>$100,000</td>
</tr>
<tr>
<td>Community Health and Emergency Services, Cairo, IL</td>
<td>To enhance breast cancer screening services via purchase of updated equipment and improvement of facility to accommodate new equipment.</td>
<td>$200,000</td>
</tr>
<tr>
<td>Contra Costa Health Services, Martinez, CA</td>
<td>To expand breast cancer clinical care by 20% through increased utilization of the mobile mammography van and an increase in the capacity of the patient navigator and other clinical and administrative staff.</td>
<td>$500,000</td>
</tr>
<tr>
<td>Harbor-UCLA Medical Center, Torrance, CA</td>
<td>To improve the Breast Cancer Screening and Early Detection Program. Funding will support acquisition of a new ultrasound unit and other diagnostic equipment; a fellow in breast imaging; and a bilingual Nurse Practitioner and Nurse Attendant/Clerk.</td>
<td>$500,000</td>
</tr>
<tr>
<td>Herbert Irving Comprehensive Cancer Center/Columbia-Presbyterian Medical Center, New York, NY</td>
<td>To support: an increase in screening; the recruitment of two medical oncologists, two mammographers, one breast surgeon and a patient navigator; a Recruitment CORE resource; new clinical trials; and a new tissue bank for benign breast tissue.</td>
<td>$1,500,000</td>
</tr>
</tbody>
</table>
Hektoen Institute for Medical Research LLC at Cook County Hospital Chicago, IL
For additional equipment acquisition and patient navigation to increase volume of diagnostic services that can be provided.
Howard University Cancer Center Washington, DC
To expand breast cancer clinical care by: upgrading breast cancer education curriculum and expanding outreach and screening programs in the community; hiring a health educator and patient navigator; acquiring a database management system.
Inova Health System Foundation Falls Church, VA
To continue the “Avon-Inova Cares Breast Cancer Network,” which is in the process of completing a very successful pilot program through which nearly 2,300 women were reached with education, referrals for screening, follow-up and treatment.
Jacobi Medical Center Bronx, NY
Purchase of a new ultrasound unit and additional critical staff, including three new, bilingual Patient Navigators who will enhance breast cancer outreach & education & direct patient services; and a full-time admin position to oversee patient tracking.
The Jewish Hospital (Health Alliance) Cincinnati, OH
For continuation and expansion of screening and follow-up services delivered via the Avon Foundation funded mobile mammography van.
LAC+USC Healthcare Network Los Angeles, CA
To staff the new Avon Women’s Breast Health Program at LAC+USC, which will coordinate breast health services from prevention to treatment for all women patients among the many sites.
Lombardi Comprehensive Cancer Center at Georgetown Medical Center Washington, DC
To support operations of the soon-to-be-dedicated Capital Breast Care Center. Funds will support Community Health Advisors, a Nurse Practitioner/Supervisor, Medical and Administration staff and local transportation costs for women.
Metropolitan Hospital Center New York, NY
To purchase vital new technology, including computer equipment to upgrade the patient tracking system, sentinel node technology and an ultrasound unit; and to add a dedicated, bi-lingual staff.
Nassau University Medical Center East Meadow, NY
To support the acquisition of needed equipment, including a new CAD unit to enhance the screening quality; a Motorized Mammography Alternator Viewing System to speed mammography film interpretation, and a computerized mammography reporting system.
Olive View - UCLA Medical Center Sylmar, CA
To support the installation of digital mammography systems to improve access to state-of-the-art screening services, increase the number of screenings and reduce wait time and no-show rates.
Peninsula Hospital Center Far Rockaway, NY
Support for the purchase of a mammography machine.
Cook County Bureau of Health Services  
Chicago, IL 
To provide a computer database and personnel to manage their education, outreach and screening programs, and to ensure that women with abnormal results are not lost to follow up.

UCSF Comprehensive Cancer Center and San Francisco General Hospital  
San Francisco, CA 
To manage the operational costs of the UCSF mobile mammography van, installed at the newly-dedicated Avon Foundation Breast Center to increase screenings by 3,500 and decrease the waiting time for mammograms, which is currently 6-9 mos.

Total Access to Direct Clinical Care/Safety Net Hospitals  $9,523,799

Education & Awareness including Outreach, Patient Navigation & Advocacy

Cicatelli Associates, Inc.  
New York, NY 
To fund the 2004 Annual Avon Foundation Breast Care Fund Conference for more than 200 service providers.

Cicatelli Associates, Inc.  
New York, NY 
To provide grants through the Avon Foundation Breast Care Fund Coordinating Center to more than 100 community-based organizations that conduct breast health outreach and patient navigation services in all 50 states and provide continuing technical assistance and support to all grantees. 

Cicatelli Associates, Inc.  
New York, NY 
To provide grants through the Avon Foundation Breast Care Fund Coordinating Center to more than 100 community-based organizations that conduct breast health outreach and patient navigation services in all 50 states and provide continuing technical assistance and support to all grantees.

Click here for full list of Avon Foundation Breast Care Fund recipient organizations.

National Breast Cancer Coalition Fund  
Washington, DC 
Continued support for expanded Project LEAD Program (medical education and advocacy training) for breast cancer survivors, to include an advanced session on Clinical Trials, and a web-based component, both for Project LEAD graduates.

Nevada Cancer Institute  
Las Vegas, NV 
To support an "Avon patient navigator," who will provide breast health education and navigation services to medically underserved populations not currently reached.

St. John's Riverside Hospital  
Yonkers, NY 
For continued support of the patient navigator in the women’s health center.

University of Colorado Comprehensive Cancer Center  
Denver, CO 
To support Denver Health Mobile Mammography Van; The Comrade Program by hiring 2 Comrades, who will continue and expand outreach and education activities; and rehabilitation services for women recovering from breast cancer surgery-related problems.

Women’s Cancer Resource Center  
Oakland, CA 
To support a variety of initiatives aimed at navigating monolingual, Spanish-speaking women through cancer screening and diagnostic services at Highland hospital.

Total Public Education/Outreach/Patient Navigation/Advocacy  $8,576,170

Scientific Research into Causes, Prevention, Diagnosis and Treatment

The Breast Cancer Research Foundation  
New York, NY 
General operating support in memory of Estee Lauder.
Marin County Breast Cancer Watch  
San Rafael, CA  
For general operating support and to support its collaboration with the University of California, San Francisco in research on breast cancer and the environment.

Massachusetts General Hospital/Harvard Comprehensive Cancer Center  
Boston, MA  
To support the establishment of the "Avon Foundation Gene Expression Laboratories" at MGH devoted to the translation of gene "signatures" into useful prognostic tools that can be used for treatment planning purposes in individual patients.

National Institute of Environmental Health Sciences of the National Institute of Health  
Triangle Park, NC  
To supplement NIEH funding for four interrelated initiatives: 1) Emerging Topics in Breast Cancer Conference; 2) Websites and Support Network; 3) Bioinformatics and Project Coordinating Center; and 4) Community Outreach and Translation Cores (COTC).

Silent Spring Institute  
Newton, MA  
General operating support for organization that focuses on identifying and changing the links between the environment and women’s health, especially breast cancer.

National Institute of Environmental Health Sciences of the National Institute of Health  
Triangle Park, NC  
To supplement NIEH funding for four interrelated initiatives: 1) Emerging Topics in Breast Cancer Conference; 2) Websites and Support Network; 3) Bioinformatics and Project Coordinating Center; and 4) Community Outreach and Translation Cores (COTC).

Silent Spring Institute  
Newton, MA  
General operating support for organization that focuses on identifying and changing the links between the environment and women’s health, especially breast cancer.

Total Research $925,000

Support Services

Breast Cancer Resource Committee  
Washington, DC  
General operating support for organization whose mission is to reduce incidence and mortality rate of breast cancer among African-American women by delivering a comprehensive outreach, education and support program.

Cancer Care, Inc.  
NY, NY  
To support the nationwide AVONCares Program for Medically Underserved Women, which provides breast cancer patients with funding for services such as transportation to and from appointments, child or elder care while they are undergoing treatment.

The Children's Treehouse Foundation  
Denver, CO  
To help expand their children’s support program for moms with breast cancer at the Johnson Comprehensive Cancer Center at UCLA.

Food & Friends  
Washington, DC  
For continued support of the full-time nutritionist for AVON's Pink Ribbon Delivery Program.

Food & Friends  
Washington, DC  
To continue support for AVON's Pink Ribbon Delivery: Serving Women and Families Battling Breast Cancer, a program that delivers medically-necessitated, specially-prepared meals and nutrition counseling to women living with breast cancer and their families.

Hackensack University Medical Center Foundation for Tennis for Life  
Ramsey, NJ  
Support for program that assists breast cancer survivors in their recovery.

Total Support Services $806,000

Total for Avon Breast Cancer Crusade $19,830,969
In addition to new grants, prior multi-year grants from the Avon Foundation continued to support many breast cancer organizations and institutions in 2004, including:

Robert H. Lurie Comprehensive Cancer Center of Northwestern University
Chicago, IL
*Continue its translational research in selective anti-estrogen receptor modulators and clinical care for underserved women, and establish the “Avon Foundation Breast Cancer Research Laboratories.”*

The Sidney Kimmel Comprehensive Cancer Center at Johns Hopkins
Baltimore, MD
*To establish the Avon Foundation Comprehensive Breast Center; to support an innovative prevention research project focused on estrogen-negative breast tumors; to support clinical care programs for the underserved, primarily African-American populations.*

The Winship Cancer Institute of Emory University School of Medicine and the Grady Health System
Atlanta, GA
*To continue basic and translational research in breast cancer biology, to recruit additional faculty to expand the clinical trials program and to establish a comprehensive state-of-the-art breast cancer screening and treatment program.*

Avon-ACRIN (American College of Radiology Imaging Network) “Partnership for Better Breast Imaging”
Philadelphia, PA
*Support a trial to evaluate breast ultrasound as a screening tool in high-risk women.*

Fred Hutchinson Cancer Research Center
Seattle, WA
*Support breast imaging, a tissue repository and related database and new drug development.*

Herbert Irving Comprehensive Cancer Center Columbia-Presbyterian Medical Center
New York, NY
*Support research in the area of environmental factors and genetic susceptibility in the causation of breast cancer.*

National Cancer Institute
Bethesda, MD
*An unprecedented $20,000,000 to establish the Avon-NCI “Progress for Patients” award program. The purpose of the unique public-private partnership program is to accelerate and expand translational research in breast cancer. Funding goes directly to U.S. scientists who compete successfully for these awards. Avon Foundation dollars support direct costs of early phase breast cancer clinical trials and other studies in prevention, diagnosis and treatment, including minority and other medically underserved patients. The NCI supports other costs of managing the program and peer review process.*
*Click here for full list of more than 30 funded trials.*

Vaccine Collaborative
Seattle, WA and Baltimore, MD
*Support the Avon Breast Cancer Therapeutic Vaccine Initiative being conducted jointly by the Fred Hutchinson Cancer Research Center and the Sidney Kimmel Comprehensive Cancer Center at Johns Hopkins.*

Iris Cantor Breast Imaging Center at UCLA Medical Center
Los Angeles, CA
*Support the training of radiologists in the sub-specialty of breast imaging.*
Support collaboration with Center for Healthy Aging a community-based outreach organization in Santa Monica, CA, in which women aged 65 and over are targeted for breast cancer education, navigation into screening services and possible inclusion in a research study at John Wayne Cancer Institute in which they are offered “sentinel node biopsy (SNB)” versus full maxillary dissection, to determine that SNB causes fewer side effects, particularly in this group of women.

Support research project to evaluate the effectiveness of meditation-based stress reduction and cognitive-effective-behavioral learning to help women with breast cancer improve the quality of their lives.

Support breast cancer detection initiative at the San Francisco, San Jose and Oakland locations of CityTeam to identify women with breast problems, get them care as soon as possible and navigate them through all stages of diagnosis and treatment.

Provide partial salary for “scholar” focusing on the development and dissemination of a disease prevention program, with a focus on cancer risk reduction in the Washington Heights area of New York City.

Support clinical breast exam training for physicians, nurse practitioners and physician assistants who perform screening services, and training of public health and community partners in best practice strategies to recruit women who are not currently accessing health services.

Support successful “Community Health Advisor Program,” which trains community advocates to conduct breast health outreach/educational seminars in the community.

Support the WeCAN!™ program of the MCCRC to provide Consultation Planning and Recording methods to medically-underserved women in the Northern California area undergoing evaluation for breast abnormalities, enabling patients to address questions regarding treatment options, side effects and efficacy before they meet with their physician(s). A patient navigator assists in this process and follow-up.

Support expansion of services to medically underserved Latino, Chinese and Vietnamese women. Educate and link them directly to screening; assist women who have abnormal screening results obtain proper follow-up care; provide translation services; expand husband/partner hotline; and expand teen program.
### Domestic Violence - Direct Services to Victims
