Ralph Lauren Center for Cancer Care & Prevention fbo Harold P. Freeman Patient Navigator Institute	Continue an Avon - Patient Navigation Scholars program for patient navigators from Avon-funded community based hospitals and academic medical centers to train in the Harold P. Freeman Patient Navigation Institute.	New York	NY	\$80,000
St. John's Riverside Hospital	Funds will support breast health outreach and patient navigation programs for low income and uninsured women in Westchester County.	Yonkers	NY	\$100,000
The University of Texas M.D. Anderson Cancer Center	Support of patient navigation services for women at Lyndon B. Johnson Hospital in Houston.	Austin	TX	\$309,985
The University of Texas Medical Branch at Galveston	Continued Avon-funded patient navigation services, to increase community outreach and help restore mammography screening to their pre-Hurricane Ike levels.	Galveston	TX	\$125,000
Women's Cancer Resource Center	Support community outreach, education and navigation services to women facing cancer in the underserved communities of the East Bay area, namely Oakland, Richmond and Contra Costa County.	Oakland	CA	\$125,000
Total - Direct Clinical Care/Safety Net Hospitals/Patient Navigation				\$5,588,876
Public Education/Outreach/Advocacy				
92nd Street Y	The Partnership Symposium: Conquering Breast Cancer Conference on April 26th in New York City was a public forum co hosted by the Avon Foundation, Breast Cancer Research Foundation, and Susan G. Komen for the Cure on the latest in breast cancer research.	New York	NY	\$10,000
Cicatelli Associates, Inc.	Funds will support 125 community-based organizations (CBO), reaching all 50 states. The Avon Foundation Breast Cancer Fund CBO institutions educate communities on breast health and navigate 120,000 women annually into early detection.	New York	NY	\$6,000,000
Total - Public Education/Outreach/Advocacy				\$6,010,000
Research				
Alamo Breast Cancer Foundation	Production of the 2009 San Antonio Breast Cancer Symposium Meeting Highlights "Hot Topics" CD that is prepared by patient advocates for broad distribution for advocates that could not attend the Symposium.	San Antonio	TX	\$125,000
American Association for Cancer Research Foundation (AACR)	Renew the Avon-AACR International Scholar-in-Training travel awards program, bringing approximately 40 scientists in training from abroad to the U.S. for their Annual Conference, their Cancer Prevention meeting, and the San Antonio BC Symposium.	Philadelphia	PA	\$200,000
Baylor College of Medicine	Funds support a research project entitled: Pregnancy protection of human breast cancer.	Houston	TX	\$149,600
Beckman Research Institute of the City of Hope	Avon funds will launch the Love/Avon Army of Women-Health of Women Cohort study that will establish a new, powerful cohort for investigation into the myriad of questions related to breast cancer etiology, cause and survival.	Duarte	CA	\$300,000
The Board of Trustees of the University of Illinois	Funds support a research project entitled: The role of lobular involution in pregnancy-associated breast cancer.	Chicago	IL	\$150,000

<u>Organization Name</u>	<u>Project Title</u>	<u>City</u>	<u>State/ Country</u>	<u>Grant Amount</u>
Cairo University	Creation of the Avon International Inflammatory Breast Cancer Research Consortium - a coordinated biological, genetic and immunological research program conducted at NYU School of Medicine, Univ. of Michigan School of Medicine, and Cairo University.	Giza	Egypt	\$165,000
Clemson University	Funds will support a research project entitled Anti-Cancer Properties for Reconstructed Breast Tissue.	Clemson	SC	\$195,000
Dana-Farber Cancer Institute	Funds will support a research project entitled: Understanding the molecular basis parity-induced projection against breast cancer through global expression and epigenetic profiles.	Boston	MA	\$75,000
Dr. Susan Love Research Foundation	Support the 6th International Symposium on the Intraductal Approach to Breast Cancer to be held February 19-21 in Santa Monica, CA. The conference brings together over 100 clinicians, researchers and advocates.	Santa Monica	CA	\$5,000
Dr. Susan Love Research Foundation	Funds will support a research project entitled: the effect of previous pregnancy on the physiology of breast ducts.	Santa Monica	CA	\$53,515
Dr. Susan Love Research Foundation	To support the staffing and operation of the Love/Avon Army of Women project. The Army of Women launched on October 1, 2008 and has recruited 329,000 women to date.	Santa Monica	CA	\$800,000
The George Washington University	To support a research project entitled Detection of pBP1 in the Serum of Women with Breast Cancer. P.I. Dr. Patricia Berg has identified pBP1 as a new marker present in 80% of invasive ductal breast tumors and metastasis.	Washington	DC	\$300,000
Health Research Alliance	Continued membership in the Health Research Alliance, which allows to share information on our research grants and place them into gHRAsp (Grants in the Health Research Alliance Shared Portfolio), a web-based database.	Research Triangle Park	NC	\$10,000
Johns Hopkins University	Funds will support a research project entitled: Understanding the molecular basis parity-induced projection against breast cancer through global expression and epigenetic profiles.	Baltimore	MD	\$75,000
Kings College London*	Support project entitled 'Changes Induced by Parity in the Stem/Progenitor Cell Population of the Normal Human Breast - Characterization of normal stem cells from the human breast epithelium.'	London	England	\$84,280
Marin County Department of Health & Human Services	Support a study entitled Development of Novel Saliva Based Model for Breast Cancer Risk Assessment to determine if genetic factors in the OncoVue test are predictive of breast cancer risk independent of breast density and to improve risk models.	San Rafael	CA	\$425,000
McGill University FBO International Cancer Research Partners	Annual fees to be able to upload Avon data to the International Cancer Research Partners public database. Joining ICRP and sharing data about our funded research grants is a key outcome recommended by the Avon-led Collaborative Summit on BC Research.	Montreal	Canada	\$5,863
Mount Sinai School of Medicine	To expand research supported in 2008 to validate a new assay for the detection of HMTV virus (human MMTV equivalent) in samples of breast milk. To understand the baseline levels of HMTV found in breast milk from 'normal/healthy' population of women.	New York	NY	\$50,000

<u>Organization Name</u>	<u>Project Title</u>	<u>City</u>	<u>State/ Country</u>	<u>Grant Amount</u>
New York University School of Medicine	Creation of the Avon International Inflammatory Breast Cancer Research Consortium - a coordinated biological, genetic and immunological research program conducted at NYU School of Medicine, Univ. of Michigan School of Medicine, and Cairo University	New York	NY	\$405,000
Niagara University	Funds will support a research project entitled Development of Biomarkers for Breast Cancer from Urine Samples Using 2-D NOESY NMR.	Niagara University	NY	\$150,000
Niagara University	Funds will support year 2 to expand an NMR-based screen that can be used to identify metabolic biomarkers of metastatic or even early breast cancer in urine.	Niagara University	NY	\$150,000
New York University School of Medicine	Provide additional support for the collection of breast biopsy and blood samples, increasing the sample size from 150 to 250 women enrolled in the study entitled "Genomic Signature of Parity".	New York	NY	\$40,000
Oregon Health & Science University Foundation	Funds will support a research project entitled Providing the Scientific Basis for a Breast Cancer Prevention Plan by Determining the Genetic Changes that Transform Normal Stem Cells into Breast Cancer Stem Cells.	Portland	OR	\$275,000
Regents of the University of Michigan	Creation of the Avon International Inflammatory Breast Cancer Research Consortium - a coordinated biological, genetic and immunological research program conducted at NYU School of Medicine, Univ. of Michigan School of Medicine, and Cairo University	Ann Arbor	MI	\$355,000
The Regents of the University of Michigan	Funds will support a research project entitled: Interaction of age at first full-term pregnancy with other known breast cancer risk factors and breast cancer risk.	Ann Arbor	MI	\$38,217
Silent Spring Institute	Update population breast cancer diagnosis data for MA counties in the MassHEIS environmental information system and fellowship in breast cancer and the environment epidemiology: Identify exposure measures for epidemiological studies.	Newton	MA	\$200,000
Stanford University	Support a research project entitled Identification of Receptor for the INSL4-mediate Breast Cancer Invasiveness, which aims to understand why high INSL4 expression is associated with poor survival in BC patients.	Stanford	CA	\$300,000
Texas Tech University Health Sciences Center	Funds will support a research project entitled: Analysis of parity-induced protection in human breast and serum.	El Paso	TX	\$147,474
The Trustees of the University of Pennsylvania	Funds will support a research project entitled: Parity-induced changes in human breast.	Philadelphia	PA	\$150,000
Tufts University	Support a research project entitled, The Stroma as a Gatekeeper for Malignant Transformation, which will look at the interaction between the supportive tissues and functional tissues of the breast to uncover their role in the long term pregnancy.	Boston	MA	\$300,000
U.S. Treasury fbo Congressionally Directed Medical Research Programs	Membership to join the International Cancer Research Partners.	Fort Detrick	MD	\$7,000
The University of Chicago	To support the research project entitled Viruses, Inflammation and Toll-like Receptor 4 in Human Breast Cancer Development, by Principal Investigator Dr. Funmi Olopade.	Chicago	IL	\$300,000
The University of Chicago	To support a research project entitled Targeting Triple Negative Breast Cancer Cell Survival through Identifying a Genome-wide Map of Glucocorticoid Receptor Targets (Conzen).	Chicago	IL	\$300,000

<u>Organization Name</u>	<u>Project Title</u>	<u>City</u>	<u>State/ Country</u>	<u>Grant Amount</u>
University of Colorado Denver Foundation fbo University of Colorado	Funds will support a research project entitled: Pregnancy associated breast cancer: Role of epithelial and stromal interactions in tumor aggressiveness.	Aurora	CO	\$150,000
University of Kansas	Funds support a research project entitled: Pregnancy protection of human breast cancer.	Kansas City	KS	\$149,998
University of Massachusetts Amherst	Funds will support a research project entitled: The role of pregnancy and lactation in inhibiting age-induced promoter hypermethylation.	Amherst	MA	\$109,508
University of Massachusetts Amherst	Funds will support a research project entitled: Transcriptional changes in breast tissue associated with parity and age.	Amherst	MA	\$150,000
University of Massachusetts Amherst	To support a research project entitled The Presence, Prevalence and Impact of Intracellular Chlamydia in Cells from Breast Milk, Principal Investigator Dr. Elizabeth Stuart.	Amherst	MA	\$193,774
University of North Carolina at Chapel Hill	Funds will support a research project entitled Characterizing Variation in Breast Cancer Microenvironment.	Chapel Hill	NC	\$300,000
University of North Dakota	Funds will support a research project entitled: Proteomic signature of first full-term pregnancy.	Grand Forks	ND	\$150,000
University of Southern California	Support study entitled Use of hCG and Depo-Provera for Breast Cancer Prevention, which will evaluate whether 2 common fertility drugs can mimic early pregnancy & alter the gene & protein expression profile of breast tissue in parous vs. nulliparous women.	Los Angeles	CA	\$300,000
The University of Texas M.D. Anderson Cancer Center	To better understand the earliest changes in breast cells that give rise to cancer. Investigator will examine this pathway in 150 breast cancer cases (from MDACC archive) and 300 age-matched controls (collected through AOW).	Austin	TX	\$400,000
University of Utah	A research project entitled Identification of breast cancer risk variants in CASP8. The goal is to identify women with CASP8 risk-causing mutations or protective genetic changes and determine which CASP8 changes are most relevant to breast cancer.	Salt Lake City	UT	\$300,000
University of Wisconsin Board of Regents	Funds will support a research project entitled: Age at first birth, genotypes and breast cancer histology.	Madison	WI	\$90,000
Virginia Tech Foundation	To support a project entitled Environmental Risk of Breast Cancer Development: Molecular Basis for Prevention. Dr. Finkelstein's study will elucidate the mechanisms through which the circadian clock acts as a tumor suppressor.	Blacksburg	VA	\$300,000
Zero Breast Cancer, formerly Marin County Breast Cancer Watch	Engage the community in breast cancer research and participate in novel research studies including (i) BCERC, (ii) Prospective Study of breast cancer survivorship in the Bay Area, (iii) a project to develop a Bay area Geographic Information System (GIS).	San Rafael	CA	\$150,000
			Total - Research	\$9,029,229
Support Services				
The Children's Treehouse Foundation	Expand the number of hospitals involved in the <i>Children's Lives Include Moments of Bravery</i> (CLIMB) training program. Support annual National Training Seminars in Colorado and an east coast location and provide scholarships for MSW interns.	Denver	CO	\$90,000

<u>Organization Name</u>	<u>Project Title</u>	<u>City</u>	<u>State/ Country</u>	<u>Grant Amount</u>
Community Servings	The Community Servings-Avon Door-to-Door Delivery Program serves thousands of meals to breast cancer client families and educates hundreds on proper nutrition during cancer treatment.	Boston	MA	\$100,000
Food & Friends	Support necessary staff for the operation and administration of the Avon Pink Delivery Program, which provides a specialized nutrition program & individualized nutrition counseling to women living with breast cancer & their families in Washington, DC.	Washington	DC	\$250,000
God's Love We Deliver	Funds will support: (1) Meals, delivery service, and related program costs; (2) portion of the salaries for services to BC clients; (3) additional printing of two previously developed breast cancer brochures; and (4) purchase of refrigerated truck.	New York	NY	\$200,000
Project Angel Food	Funds will support a meals and services program for breast cancer clients and their families in greater Los Angeles County, from Lancaster to Long Beach.	Los Angeles	CA	\$100,000
Project Angel Heart	Staff support for kitchen, client services volunteer resources, administration and development staff, and well as food, program materials and related costs.	Denver	CO	\$75,000
Project Open Hand	To support a Project Open Hand's (POH) Homebound Critically Ill Program that provides meals and education programs for breast cancer patients & other critically ill patients, as well as support an innovative 'grocery program' for breast cancer clients.	San Francisco	CA	\$200,000
Total - Support Services				\$1,015,000
Walk Around the World				
Asociacion Espanola Contra el Cancer (AECC)	Proceeds from the Reebok Pink Ribbon Product retail campaign will be distributed to countries participating in the 2008 Walk Around the World for Breast Cancer series, which will support breast cancer programs, provide access to care or fund research.	Madrid	Spain	\$841
Asociacion Mexicana de Lucha Contra el Cancer, AC	Proceeds from the Reebok Pink Ribbon Product retail campaign will be distributed to countries participating in the 2008 Walk Around the World for Breast Cancer series, which will support breast cancer programs, provide access to care or fund research.	Mexico City	Mexico	\$18,205
Association 'Amazonki' Warszawa-Centrum	Proceeds from the Reebok Pink Ribbon Product retail campaign will be distributed to countries participating in the 2008 Walk Around the World for Breast Cancer series, which will support breast cancer programs, provide access to care or fund research.	Warsaw	Poland	\$1,236
Avon Flame Foundation/La Fondation Flamme Avon	Proceeds from the Reebok Pink Ribbon Product retail campaign will be distributed to countries participating in the 2008 Walk Around the World for Breast Cancer series, which will support breast cancer programs, provide access to care or fund research.	Montreal	Canada	\$19,475
Avon Institute	Proceeds from the Reebok Pink Ribbon Product retail campaign will be distributed to countries participating in the 2008 Walk Around the World for Breast Cancer series, which will support breast cancer programs, provide access to care or fund research.	Sao Paulo	Brazil	\$40
Breakthrough Breast Cancer	Proceeds from the Reebok Pink Ribbon Product retail campaign will be distributed to countries participating in the 2008 Walk Around the World for Breast Cancer series, which will support breast cancer programs, provide access to care or fund research.	London	United Kingdom	\$172

<u>Organization Name</u>	<u>Project Title</u>	<u>City</u>	<u>State/ Country</u>	<u>Grant Amount</u>
Breast Cancer Institute of Australia	Proceeds from the Reebok Pink Ribbon Product retail campaign will be distributed to countries participating in the 2008 Walk Around the World for Breast Cancer series, which will support breast cancer programs, provide access to care or fund research.	Newcastle	Australia	\$637
Breast Health Foundation	Proceeds from the Reebok Pink Ribbon Product retail campaign will be distributed to countries participating in the 2008 Walk Around the World for Breast Cancer series, which will support breast cancer programs, provide access to care or fund research.	Parktown West	South Africa	\$1,050
Cancer Patients Aid Association	Proceeds from the Reebok Pink Ribbon Product retail campaign will be distributed to countries participating in the 2008 Walk Around the World for Breast Cancer series, which will support breast cancer programs, provide access to care or fund research.	New Delhi	India	\$6,303
Chinese Red Cross Foundation	Proceeds from the Reebok Pink Ribbon Product retail campaign will be distributed to countries participating in the 2008 Walk Around the World for Breast Cancer series, which will support breast cancer programs, provide access to care or fund research.	Beijing	China	\$5,095
Forum Italiano ONLUS, Europa Donna	Proceeds from the Reebok Pink Ribbon Product retail campaign will be distributed to countries participating in the 2008 Walk Around the World for Breast Cancer series, which will support breast cancer programs, provide access to care or fund research.	Milano	Italy	\$504
Foundation of Breast Cancer Prevention and Treatment	Proceeds from the Reebok Pink Ribbon Product retail campaign will be distributed to countries participating in the 2008 Walk Around the World for Breast Cancer series, which will support breast cancer programs, provide access to care or fund research.	Taipei	Taiwan	\$600
Fundacion Arturo Lopez Perez	Proceeds from the Reebok Pink Ribbon Product retail campaign will be distributed to countries participating in the 2008 Walk Around the World for Breast Cancer series, which will support breast cancer programs, provide access to care or fund research.	Santiago	Chile	\$850
Hellenic Cancer Society	Proceeds from the Reebok Pink Ribbon Product retail campaign will be distributed to countries participating in the 2008 Walk Around the World for Breast Cancer series, which will support breast cancer programs, provide access to care or fund research.	Athens	Greece	\$1,740
Japan Society of Breast Health	Proceeds from the Reebok Pink Ribbon Product retail campaign will be distributed to countries participating in the 2008 Walk Around the World for Breast Cancer series, which will support breast cancer programs, provide access to care or fund research.	Tokyo	Japan	\$571
Liga Argentina de Lucha Contra el Cancer	Proceeds from the Reebok Pink Ribbon Product retail campaign will be distributed to countries participating in the 2008 Walk Around the World for Breast Cancer series, which will support breast cancer programs, provide access to care or fund research.	Buenos Aires	Argentina	\$25
Liga Peruana de Lucha Contra el Cancer	Proceeds from the Reebok Pink Ribbon Product retail campaign will be distributed to countries participating in the 2008 Walk Around the World for Breast Cancer series, which will support breast cancer programs, provide access to care or fund research.	Lima	Peru	\$360

<u>Organization Name</u>	<u>Project Title</u>	<u>City</u>	<u>State/ Country</u>	<u>Grant Amount</u>
Philippine Cancer Society Inc	Proceeds from the Reebok Pink Ribbon Product retail campaign will be distributed to countries participating in the 2008 Walk Around the World for Breast Cancer series, which will support breast cancer programs, provide access to care or fund research.	Manila	Philippines	\$1,932
Pride Foundation (Pink Ribbon Deed)	Proceeds from the Reebok Pink Ribbon Product retail campaign will be distributed to countries participating in the 2008 Walk Around the World for Breast Cancer series, which will support breast cancer programs, provide access to care or fund research.	Kuala Lumpur	Malaysia	\$1,827
Queen Sirikit Centre for Breast Cancer	Proceeds from the Reebok Pink Ribbon Product retail campaign will be distributed to countries participating in the 2008 Walk Around the World for Breast Cancer series, which will support breast cancer programs, provide access to care or fund research.	Bangkok	Thailand	\$309
